

Are you interested in visiting De Haar Castle and the park with a group? We look forward to welcoming you and your family, friends, pupils, colleagues or association. We would like to take this opportunity to inform you about the options available.

Castle visit

A visit to De Haar Castle is a breathtaking experience for anyone. It starts as soon as you enter the Main Hall with its 18-metre high vaulted wooden ceiling and many stained glass windows. Enjoy the beauty and splendour as you follow the route through the castle. Our enthusiastic guides, who can be found in the various rooms, will gladly tell you more about the fascinating history of the castle and the Van Zuylen van Nijeveld family. Of course, you can also stroll through the extensive castle grounds both before and after visiting the castle (included).

Your group is welcome to visit the castle:

- Seven days a week
- During regular opening hours (last admission to castle is at 16:15)
- Groups of 21 people or more receive a 20% discount on the **regular admission fees** (not valid in combination with other discounts and promotions).

Of course, it is also possible to visit only the park. With its beautiful formal gardens, maze, picnic meadow and deer enclosure. Each season brings its own charm.

Culinary options

A day out is not complete without something nice to eat and drink. We therefore offer various culinary options for every type of gathering. Perhaps you would like to start with a delicious cup of coffee and cake, or finish off with a drink and appetizers (€9.50 per person). Or would you prefer a high tea, lunch package or dinner? This is served in our Restaurant Laverie, located on the attractive Stable Square. Or in the Coach House, which can be booked exclusively for your gathering.

Optional: private castle tour

Complete your group visit with a private tour. An experienced guide will share unique anecdotes about the extravagant life of the Van Zuylen van Nijvelt family. Ask all your questions and find out even more about this special place and its history. You can explore the castle at your leisure before or after the tour.

A private tour:

- Lasts 60 minutes
- Costs €175.00 for the guide (for a group size of up to 20 people) in addition to the admission tickets. An additional guide (per 20 people) costs €85.00. The number of guides depends on the total group size.
- Starts at 09:30 or 15:30 (at 09:30 on Saturdays, Sundays, public holidays and during school holidays).

Children are welcome

Will your group include children? De Haar Castle has several walking routes and treasure hunts in the park and castle, especially for children. This enables them to discover the story of De Haar Castle in a playful manner. We also cater to younger visitors in our restaurants!
